INSTITUTE FOR THE ADVANCEMENT OF FOOD AND NUTRITION SCIENCES

BYLAWS

PREAMBLE

Institute for the Advancement of Food and Nutrition Sciences (“IAFNS”) is a non-profit, charitable and scientific organization that advances nutritional sciences, food science and food safety research and its application in support of public health. To achieve its mission, IAFNS brings together scientists from government, academia and industry to work collaboratively to advance the understanding and application of science. Participation of scientists from multiple sectors in IAFNS activities, including governance bodies such as the Board of Trustees, as well as in the work of scientific committees, along with the requirement that all IAFNS activities must be directed to and carried out in an objective manner for public benefit, is a fundamental aspect of IAFNS identity. IAFNS’s commitment to multisector participation is reflected in IAFNS’s bylaw provisions regarding the Board of Trustees, of whom at least half must be public sector trustees, with the remainder being private sector trustees.

ARTICLE I: GENERAL

SECTION 1. The purpose for which IAFNS is organized is exclusively scientific, charitable and/or educational within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986.

SECTION 2. IAFNS shall establish an antitrust policy in keeping with the antitrust laws of the District of Columbia, as well as with state and federal antitrust laws, and shall distribute a copy of such policy to participants at IAFNS business meetings and activities. Such policy shall prohibit discussion or dissemination of such matters as, but not limited to, the following: information concerning costs, pricing, credit and marketing policies, sales territories and customers.

SECTION 3. As used herein, being affiliated with a “public sector organization” means that an individual is currently employed by or holds an appointment in a university, government agency, public research institute, or nonprofit foundation, or is retired from one of these organizations or entities during the course of his or her appointed or elected term with an IAFNS body. If an individual is employed by a for-profit (private) organization but also holds an appointment in a public sector organization (whether remunerated or not) then, for the purposes of their engagement in IAFNS, they will be regarded as a representative of the private sector.

SECTION 4. As used herein, the term “Supporting Organization” is an entity that provides material support to IAFNS and possesses the rights and obligations afforded to such organizations in Article IV of these bylaws. To be affiliated with a Supporting Organization means that an individual is currently employed by a Supporting Organization during the course of his or her appointed or elected term with an IAFNS committee or governance body.

4(a). Private sector (for-profit) companies may become Supporting Organizations as described in Article IV.

SECTION 5. Where necessary or appropriate to the meaning of these bylaws, words of gender shall include all genders.

ARTICLE II: MEMBERSHIP

SECTION 1. The following individuals will be considered members IAFNS and part of the IAFNS Assembly of Members: (a) individuals affiliated with public sector organizations, who are enrolled on a roster of active participants in IAFNS scientific committees or who are members of IAFNS’s Board of Trustees; (b) one individual designated by each Supporting Organization as an official representative; and (c) individuals affiliated with a Supporting Organization who are enrolled on a roster of active participants in IAFNS’s scientific committees or who are members of IAFNS’s Board of Trustees.

SECTION 2. All members of the IAFNS Assembly as defined in Section 1 above shall be qualified to become Electors who may vote at all meetings and on ballots of the IAFNS Assembly and receive all general materials that are relevant

to the Assembly. Upon reasonable written request, IAFNS Assembly members shall have access to such relevant information as is generally available to the Assembly at IAFNS's principal office in the District of Columbia. Members of the Assembly shall also be eligible to participate on one or more scientific committees, subject to such nondiscriminatory conditions regarding membership as may be adopted by the respective scientific committees and, in the case of members of the Assembly affiliated with a Supporting Organization, subject to payment by the relevant Supporting Organization of applicable committee dues and assessments.

SECTION 3. The IAFNS Assembly shall elect a slate of representatives to the IAFNS Board of Trustees in accordance with Article V, Section 3. This slate shall include both private sector (Supporting Organization) and public sector trustees and will be put forward by the Nominating Committee as defined in Article VII, Section I. The vote may be conducted in a meeting of the Assembly or by ballot as permitted by the District of Columbia Nonprofit Corporations Act. The IAFNS Assembly shall also consider removal of trustees and such other matters as are submitted to it by the IAFNS Board of Trustees, by any scientific committee for consideration or action in a meeting or by ballot.

SECTION 4. On an annual basis, each member of the Assembly will be asked to confirm whether he or she wishes to receive a ballot for elections or other votes during a designated twelve-month period. Members of the Assembly who request a ballot will be known as "Electors," and will be identified as such in a register maintained by IAFNS. When a matter is submitted to the Assembly for a vote, the Electors will be grouped into two classes: Public Sector-Affiliated Electors and Supporting Organization Sector-Affiliated Electors. The votes of each class will be tallied separately, and any position which receives a majority of the votes by a class of Electors will be treated as representing the decision of that class on the matter under consideration. Consequently, the votes of the Public Sector-Affiliated Electors will be weighted equally with those of the Supporting Organization Sector-Affiliated. The Assembly will strive to resolve matters submitted for a vote by consensus. However, in the event of a tie between the Public Sector-Affiliated Electors and the Supporting Organization Sector-Affiliated, the matter under consideration shall be submitted to the IAFNS Board of Trustees for a decision in accordance with the Board's own decision-making procedures.

SECTION 5. One-tenth of the Electors in each class described in Article II, Section 4 above shall constitute a quorum on any matter submitted to the Assembly for a decision.

ARTICLE III: MEMBERSHIP MEETINGS

SECTION 1. Annually, the IAFNS Assembly of Members will meet and the composition of the Assembly will be reviewed.

SECTION 2. A regular or special meeting of the IAFNS Assembly is not required to be held at a geographic location if the meeting is held by means of the Internet or other electronic communications technology in a fashion pursuant to which the members of the Assembly have the opportunity to read or hear the proceedings substantially concurrently with their occurrence, vote on matters submitted to the Assembly, pose questions, and make comments.

SECTION 3. Special meetings of the IAFNS Assembly, for any purpose or purposes, unless otherwise prescribed by statute or the Articles of Incorporation of IAFNS, may be called by either the IAFNS Chair from the Supporting Organization sector or the Chair from the Public Sector and shall be called by either of IAFNS's Co-Chairs at the written request of one-third of both the Public Sector Members and the Supporting Organization Members. Such request shall state the purposes of the proposed meeting.

3(a). Written notice of a special meeting stating the place, date and time of the meeting and the purposes for which the meeting is called shall be given to each member of the IAFNS Assembly not less than ten (10) days before the meeting. Business transacted at any special meeting of the Assembly shall be limited to the purposes stated in the notice.

ARTICLE IV: SUPPORTING ORGANIZATIONS

SECTION 1. An organization may become a Supporting Organization of IAFNS if the organization: (i) is a producer, retailer, or marketer of food, beverages, pharmaceuticals, cosmetics, agricultural and other chemicals, personal care and household products, or containers thereof, or a producer of ingredients used therein or in connection therewith, a producer of exercise equipment for human health, or a provider of scientific and technical services, including consulting services, used in the safety assessment or production of the foregoing products; and; (ii) is interested in furthering the purposes of IAFNS; (iii) applies for admission as a Supporting Organization; (iv) agrees to these

bylaws, the Antitrust Statement, and IAFNS Code of Conduct; and (v) agrees to such other reasonable policies and conditions of participation in the Assembly established by the IAFNS Board of Trustees. No lobbying organization may be admitted as a Supporting Organization. No firm whose business consists principally of providing professional, non-technical/non-scientific, consulting service or advice may be admitted as a Supporting Organization in IAFNS. In addition, a company is ineligible to become a Supporting Organization if that company or a related company engages in the manufacture or production of tobacco products. Further, for purposes of this provision, the term “related company” means any company that controls, is controlled by, or is under common control with another company.

SECTION 2. Companies or organizations seeking admission as Supporting Organizations must submit an application and the applicable dues and/or initiation fee, if any, as adopted by the IAFNS Board of Trustees. Each Supporting Organization must also designate an Official Representative (named individual) to serve as a liaison with IAFNS on matters regarding the Supporting Organization’s relationship with IAFNS. The term of a Supporting Organization’s Official Representative shall automatically expire when: (i) the Official Representative ceases to be employed by the Supporting Organization; (ii) the Official Representative’s connection with the Supporting Organization is otherwise severed; (iii) the company ceases to be a Supporting Organization of IAFNS; or (iv) the Supporting Organization designates another Official Representative.

2(a). Once a Supporting Organization application has been received and all conditions of Supporting Organization status are satisfied, and upon payment of the applicable dues and initiation fee, the applicant shall become an IAFNS Supporting Organization and shall be entitled to have its Official Representative and other scientific personnel participate in all membership activities as described in Article II.

SECTION 3. A Supporting Organization may cancel its status as a Supporting Organization at any time upon written notice to the IAFNS Executive Director of such voluntary withdrawal. Any Supporting Organization that ceases to qualify for Supporting Organization status may have such status suspended or revoked upon a recommendation of the IAFNS Executive Committee and a majority vote of the IAFNS Board of Trustees. Conditions that shall be cause for suspension or revocation of Supporting Organization status include, but shall not be limited to, the following: (i) failure to conform to requirements to serve as a Supporting Organization; (ii) failure to perform such obligations and duties as may be determined by the IAFNS Board of Trustees; (iii) failure to pay dues or expenses assessed by IAFNS; (iv) violation of these bylaws or any other lawful rule of practice or procedure adopted by IAFNS; or (v) any unethical or improper business practices, or other conduct detrimental to the best interests of IAFNS. For any cause other than failure to pay dues or expenses, a vote for suspension or revocation of status shall occur only after the Supporting Organization complained against has been notified in writing of the recommendation for suspension or revocation of Supporting Organization status, and has been given a reasonable opportunity to be heard, provided that notice of the Supporting Organization’s intent to be heard is provided to the IAFNS Co-Chairs in writing within thirty (30) days of receipt of written notice of the recommendation for such suspension or revocation. The opportunity to be heard may be provided by teleconference or in person, at the discretion of the IAFNS Co-Chairs. The IAFNS Co-Chairs shall either call a special meeting of the IAFNS Board of Trustees or place the Supporting Organization’s challenge on the agenda at the next regularly scheduled IAFNS Board of Trustees meeting. Voluntary withdrawal, suspension, or revocation of Supporting Organization status shall not relieve such Supporting Organization from the obligation to pay dues and assessments incurred prior to the date of such withdrawal, suspension, or revocation. All dues, assessments, and other fees, once paid, will not normally be refunded.

SECTION 4. The IAFNS Board of Trustees, at its sole discretion, may elect to reinstate an organization’s or company’s status as a Supporting Organization, regardless of the reason such status was revoked, provided the entity corrects the deficiency that caused its loss of status no later than twelve (12) months from the date of revocation. If more than twelve (12) months elapses without the company correcting such deficiency, the company must reapply as if it had never before been a Supporting Organization.

ARTICLE V: BOARD OF TRUSTEES

SECTION 1. The managing body of IAFNS shall be the Board of Trustees. The number of Trustees of IAFNS shall be no less than fifteen and, except in the most unusual circumstances where thirty-two Trustees may be elected for up to one year, no more than thirty-one. The number of Trustees of IAFNS may be further increased or decreased from time to time by amendment of the bylaws.

3(a). Trustees shall serve for three-year terms and shall be eligible for reelection to a maximum of three full consecutive terms; provided, however, that an individual may be elected for more than three consecutive terms if the Nominating Committee, in its discretion, proposes that the individual be elected for additional terms.

3(b). Any Trustee elected by the Assembly may be removed from office, at any time, by the affirmative vote of the Electors as provided in Article II, Sections 3 and 4.

3(c). Any Trustee who fails to attend two, consecutive, regularly scheduled, in person meetings of the IAFNS Board of Trustees may be removed from the Board at the discretion of the IAFNS Executive Committee.

SECTION 4. The Board of Trustees may hold meetings, both regular and special, at such time and at such place as shall from time to time be determined by the Board. Special meetings may be called by either of the Chairs on three days' notice to each Trustee. Special meetings shall be called by either Chair in like manner or on like notice on the written request of two Trustees. A quorum consists of one-third of the Board of Trustees and the one-third must include at least two officers of IAFNS. The at-large members of the Executive Committee shall be elected by the Board of Trustees at their annual meeting for a term of one year each.
