

IAFNS Science Innovation Showcase December 10-12, 2024 / Virtual Event

- **EVERYONE** is invited to participate in this exchange of science related to innovative ingredients, products, and processes in the food and beverage ecosystem.
- **ALL** meeting registrants are eligible to apply for an opportunity to present on the technical development of an ingredient, food packaging technology, or food safety tool.
- We encourage submission of abstracts on a diversity of topics.
- We also encourage submissions from **graduate students and post-docs**. We are reserving one session entirely for the next-generation of scientists.

How to Present at the Science Innovation Showcase

Speaker Abstract Submission Deadline: October 31, 2024

- Technical/scientific abstracts must be in English.
- Submit [Abstract Form](#) to showcase@iafns.org
- Abstracts will be ranked with the top submissions selected for presentation based on 2 key criteria, namely:
 1. High-quality technical information supported with data.
 2. Providing 'new' information on nutrition findings, a food ingredient, food product, food packaging technology, food safety tool, or other food-related technology.

Speaker Notification: November 15, 2024

- Acceptance or rejection of the abstract for presentation at the Innovation Science Session.

Registration and support request deadline for presenters: November 21, 2024

- All Innovation Science Session presentations will be pre-recorded.
- IAFNS will assist in recording of presentations, if requested.
 - Requests for this support should be made to showcase@iafns.org.

Virtual Presentation Submission Deadline: December 3, 2024

- Pre-recorded presentation is required – MP4 format with a size limit of 4GB.
- Presentations will be strictly limited to ≤ 15 minutes.
- Presentations must include a statement on conflicts of interest (COI).
- Recommend ≤ 15 slides, including title slides, COI disclosures, and conclusions.

Showcase Dates: December 10 - December 12, 2024 – noon to 5pm (ET) each day

- **Speakers must register for the meeting and be present by webinar to answer questions after your presentation.**
